Statement Information – Statement Club accounts receive periodic statements, which show all account activity during the previous monthly cycle, including any interest or service charges posted to the account. The statement will also reflect the Annual Percentage Yield Earned for the statement period. The Bank reserves the right to require seven (7) days prior notice of withdrawal from this account.

Special Rules for Statement Holiday Club Accounts – Deposits are made to your holiday Club account via automatic transfers from an existing Dime account. You elect the deposit amount in increments of \$5.00, or more, to be transferred from the account of your choice to your Holiday Club account every Friday until the close of the club year. At the end of the club year, all deposits plus interest earned will be transferred back into the original account. Partial withdrawals are not permitted. Any withdrawals must be for the entire account balance and will involve a full loss of interest for the month in which the withdrawal is made. Unless otherwise stipulated, we will continue to fund your Holiday Club account for future years as per your original instructions.
