Commercial Mortgages

Smart financing for owner-occupied or investment properties.

Are you looking to acquire, renovate or refinance commercial real estate? Dime will help you make the smart choice for financing. Select a commercial mortgage with terms up to 10 years and amortizations up to 25 years. Get the right commercial loan for your real estate needs.

Features of a Dime commercial mortgage include: _____

- Acquisitions of commercial real estate property for business growth
- Renovations or improvements to your current building
- Refinances for debt reduction or cash outs
