Foreign Exchange

A world of opportunity for your business.

Dime Community Bank offers foreign exchange services through our partnership with Bannockburn Global Forex, LLC, one of the most trusted names in the foreign exchange market¹².

Make the most of today's global markets. Our foreign exchange services allow business owners to: Make currency payments or convert foreign receivables into U.S. dollars, manage exposure to fluctuating exchange rates, and evaluate foreign currency needs to bring more value to businesses.

A streamlined approach. Currency exchange payments, hedge advisory, and trading services from Dime include: _____

- Preferred pricing.
- No payment minimums.
- Currency transactions for payables, receivables and an array of hedging products.
- A forensic analysis that determines what you're currently paying—and potential savings—for foreign exchange services.
- Secure transactions with multinational clearing.
- Access to a user-friendly client portal with real-time pricing in all time zones.
- Consulting services for doing business in over 90 currency pairs.

¹ Bannockburn Global Forex, LLC is not a subsidiary of DIME Community Bank.

² The investment products sold through Bannockburn Global Forex, LLC are not insured DIME Community Bank deposits and are not insured by FDIC or any other Government Agency. These products are not obligations of DIME, not Bank Deposits and are not endorsed, recommended or guaranteed by DIME or any government agency.
