Escrow Services

Pain-free escrow and subaccounting, unlike anything you've ever seen.

Access your business bank account securely and seamlessly through the self-service portal. Manage tasks like opening and closing sub-accounts, conducting allocations or transfers, downloading on-demand statements, and more—all without the necessity of visiting a bank or departing from your office space.

Dime Escrow Express eliminates the headache of escrow and subaccounting in one elegant digital system.

- **Fast**
Dime Escrow Express allows you to monitor and manage your escrow and subaccounts online, 24/7.
- **Efficient**
No more faxing signed forms, no more phone calls to check balances or make changes.
- **Compliant**
Regulatory compliance is built in, including W-9s and other tax paperwork.
- **Flexible**
Our escrow and sub accounting platform excels at unusual and complex workflows.
- **Cost-effective**
For Dime clients, there are no additional charges for this service.
